## MARATHON PLEDGE

To help educate underprivileged rural child

**How you can participate:** 10 schools are currently in operation, providing quality education to 8,523 rural children. About 60% of the students are covered under the scholarship. All this is possible only through the active support from various like-minded donors. Isha Vidhya acknowledges their support. Isha Vidhya is also supporting government schools to enhance the quality of education in these schools. Over 3,000 children are currently supported in 32 government schools in Coimbatore, Salem, Tirupur, and Villupuram districts in Tamil Nadu and 120,000 children in 2,770 government schools in Andhra Pradesh.

You can actively participate by donating generously to support our runners:
